

Sponsor Information

All money raised to benefit:

Delaware & Union County Farm Bureau Organizations are proud to announce the *6th Annual: Benefit in the Barn*, a symphony on the farm. Due to COVID-19, the event is going virtual! During the week of **August 10-15, 2020**, there will be daily videos posted on social media, with **Saturday, August 15th** being a live stream concert featuring the Central Ohio Symphony. Last year's event raised \$64,000 to help feed our hungry neighbors. We have raised over \$275,000 in the past five years.

Objectives:

1. Raise money to support Delaware & Union Counties hunger relief programs.
2. Build awareness of the hunger problem in Delaware & Union Counties and how individuals, families and groups can become more involved.
3. Provide an opportunity to educate the community on how the Farm Bureau engages their members.
4. To entice virtual event sales and online donations, all sponsorship dollars will be consolidated to form a matching fund opportunity.
