The celebration continues with a very special concert featuring MJ Jalloh, a former participant in the WLN mentorship program, accompanied by recording artist and record label owner Evan Westfall, (**CAAMP** and **El Camino Acid**). MJ first amazed us with her voice, as she performed during our 2020 Room to Grow event. Since then, she was featured in our 2020 campaign video, "**Rise Up**". Sit back and enjoy the concert while learning about what MJ has been accomplishing. See [concert flyer](#) for more details.
