LOVING FAMILIES, ONE LOAD AT A TIME
FIRST PRESBYTERIAN CHURCH LAUNDRY LOVE
In the months of October and November, we are collecting laundry detergent, laundry baskets and quarters for the machines to be given to Laundry Love, which hosts a community laundry night once a month and serves families in a high need mobile home community. All donations should be dropped off to one of the United Way of Delaware County locations: Gemini Parkway or Strengthening Families at Willis Education Center by November 30th. Please call the location before stopping by.
