

January is Human Trafficking Awareness Month
Get Engaged with Anti-Human Trafficking Efforts

In an effort to continue to bring awareness to the issue of human trafficking, the Delaware County Coalition is encouraging a weekly sharing of bible verses and action steps for church bulletins. Below are ways to get your church educated and involved. At the local level, the Delaware County Against Human Trafficking Coalition collaborates bi-monthly to plan ongoing projects, training events, resource development and continuum of care services for survivors. We welcome community members to get involved. Special thanks to Beautiful Savior Lutheran Church Pastor and Coalition Member Pastor John Hohe for developing this piece.
